

Pursuant to Section 4 of the Michigan Freedom of Information Act, Act 442 of 1976, the following cost will be charged for responses to FOIA requests

1. Labor Cost to locate, duplicate, examine, review, separate, redact, etc.:

This is the cost of labor directly associated with the necessary searching for, locating, examining, duplicating paper copies, duplicating media copies, and separating exempt from non-exempt records in conjunction with fulfilling a granted/partial granted written request. The Airport Authority will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor. These costs will be estimated and charged in 15 minute increments; all partial time increments will be rounded down. If the number of minutes is less than 15, there is no charge.
